

EMIRATES NATURAL HISTORY GROUP  
ABU DHABI

Newsletter No. 24 - April 1981

1. Programme

All activities on Mondays unless otherwise stated.

April 20th - 'Why Wasps ?' by Giles Roche.

May 4th - 'Japan' by Bish Brown.

May 18th - 'Satellite Photographs' by Bob Hall. (Talk plus workshop on how to obtain and interpret such photographs).

June 1st - 'Local Weeds' by Rob Western (A brief look at some of the indigeneous plants of Abu Dhabi Island and environs).

June 15th - 'Animal Traces' by Martin Willmot.

July 6th        ) To be arranged. Note dates.  
August 17th )

2. Work-room

The Group's Room M1, located on the mezzanine floor of the ADMA-OPCO Federal Building, will be open to members on the following Mondays at 6 p.m.:

April 27th  
May 25th  
June 22nd

Members are invited to make use of the facilities provided, including storage space, working-surfaces, various collections and the library.

3. Secretary

Since the departure of Barbara Brice the group has been without the services of a secretary. This is hardly an onerous job, but essential to the smooth-running of the committee's occasional activities.  
Any offers ?

4. Trips

No further large-scale field trips are envisaged before the autumn. However, individual Recorders intend to chase up members who have shown interest in their field, and plan small-scale outings.
